Sorry, it should have been Columbia Falls. I fixed the front half.

Thanks

Hello Mike,

I am telecommuting so don't have access to everything. Both of your travel requests say that you are going to Columbia Falls and returning from Kalispell. Are they right near each other?

I am going to say Kalispell as the destination for the TA, unless you think it should be Columbia Falls. I will to tomorrow's TA right now, but the 6/16 trip I will do tomorrow.

Thank you!

Louise

Hi Louise,

I am traveling to Columbia Falls tomorrow for a public meeting and to meet with our congressional aides. Here is my Travel request to travel to Kalispell for a site visit to Columbia Falls Aluminum Plant. Leaving Libby about 15:30 returning around 22:00.

I will be going tomorrow. I will be driving and didn't need any other arrangements.

I have also attached a request for June 16th as I will be going back to CFAC to meet with Virginia Loranger (Testor's rep) and site tour.

Mike
